A/C PATENTS**

DECISION ACCORDING
STATUS UNDER
37 CFR 1.47(a)

This is in response to the request for reconsideration of the petition under 37 CFR 1.47(a), filed April 9, 2001 (certificate of mailing April 5, 2001).

The petition is granted.

Petitioner has shown that the non-signing inventor has refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the declarations of facts of Steven Saunders and Wendy Ormstedt established that the inventor was mailed the application papers, including the specification, claims and drawings, but failed to respond to the request that he sign the declaration.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. As provided in Rule 1.47(a), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

The application file is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries regarding this decision should be directed to Petitions Attorney Christina T. Tartera at (703) 306-5589.
